What are your interests? What kind of projects would you like the AMV Foundation to be involved in?

\_\_\_\_\_

The AMV Foundation was established in July 2003 by American Muslims to work for and with all Americans. Our mission is to foster friendships among all Americans by bridging the cultural and religious gap. We promote the cause of the Muslim community by practicing Islam in the main stream and changing the negative image of Islam and Muslims through proactive peace building. The AMV Foundation is walking on the path paved by Dr. Martin Luther King Jr. to build a beloved and inclusive community

We encourage you to become our partners by investing in the AMV Foundation
